DVR-FHD650

FHD vehicle recorder

Genius has launched a new product vehicle recorder - DVR-FHD650, which has a FHD video recorder 1920 x 1080/30 fps; 1280 x 720/60 fps with a 2.4” panel. The 127 degree lens has a six layer surveillance glass class sensor with F2.0 aperture for extremely clear videos at night. This device lets you record everything happening in case there is an emergency so you can provide evidence as a reference.

In addition, DVR-FHD650 is a simple and elegant design as it looks smaller and use a T buckle on the windshield for easy installation. The security design protects the memory card so files are not lost because of road conditions.

Using the DVR-FHD650 is the perfect digital vehicle recorder for anyone who spends a lot of time on the road and would like to record driving conditions around them.

SHDR (Super high dynamic range) technology produces brilliant and clear video clips under high contrast with the right reflective light.

Uses 6- layer glass to enhance images clearly

System Requirements:

- Pentium 4 Processor (or above), 2.6GHz, with Windows 8/7 Service Pack 2
- 1GB RAM or Higher200MB free disk space
- Available USB Interface
- Recommended screen resolution 1024 X 768 pixels or higher.

Package Contents:

- Vehicle Recorder
- Cigarette vehicle adaptor
- Suction unit for dashboard/windshield
- USB cable
- Multi-language quick guide

WEEE information:

- Unit Weight (g):595g
- Unit Size (LxWxH): 66 x 60 x 21 mm
- Package Size (LxWxH): 180x 135 x 90mm
- PCs/Carton: 10pcs/Carton
- CUFT: 1.83 CU’FT/CTN: 472 x 292 x 210 mm
- EAN: 4710268 246381 / UPC: 091163 246381
- PN: 32300111101
